 You are a shirtless hooligan. Your summer is pretty high school typical: lots of outdoor

activities, exciting adventures, and plenty of school-appropriate raging. Flex your muscles, work on your tan, and enjoy yourself.

If you answered mostly Bs...
 You are a dorky tourist, much like Chris Carter. Use this summer to travel and explore and make sure to document well. Try to mix things up a bit and remember: sandals and socks do not mix.

If you answered mostly Cs...
 You are a couch potato. Rather than spending your summer outside, you choose the "allergic to the sun" excuse. Heed this advice: get off your large lazy butt and go frolic outdoors.

- Which celebrity or character do you most relate to?
 - Kanye West
 - Mickey Mouse
 - Homer Simpson
 - Oprah Winfrey
- What is your favorite school assigned book?
 - The Great Gatsby
 - Old Man and the Sea
 - Hamlet
 - One Flew Over the Cuckoo's Nest
- What is your morning routine?
 - Grease up, load on hair gel
 - Zinc-oxide on the nose, SPF 50+ everywhere else, and grab the fanny-pack for an accessible snack later on
 - What morning? You mean noon?
 - Shut off alarm clock, take a quick shower, grab plenty of coffee, and GO!

If you answered mostly Ds...
 You are a workaholic. Money-making is important but summer is time for relaxing. Call in sick to your job every now and then and take time to lie out in the sun. Be very careful not to burn your pasty white skin.
