

“GETTING IT DONE!”

Scorecard - McMurray Middle School 2022/2023

In addition to the four goals outlined in the full [VISD Strategic Plan](#), McMurray Middle School School developed its own [McM School Improvement Plan](#) unique to its focus and aligned, still, with the VISD five-year strategic plan. Using [VISD Data Tables](#) and the goals from the strategic plan, each school also defined vital signs that will enable it to monitor and communicate with internal and external stakeholders, as appropriate. This scorecard documents progress toward department goals and targets.

The McM School Improvement Plan identifies four goals for student success from the following three strategic plan goal areas:

Thriving Students Nurturing safe, engaging, equitable school community

- GOAL #1 - Increase Supportive Learning Environment and Sense of Belonging & Identity

Critical Thinking & Mastery Learning Acquiring core knowledge, skills, and disposition

- GOAL #2 - Increase English Language Arts Achievement
- GOAL #3 - Increase Math Achievement

Successful Lifelong Transitions

- GOAL #4 - Increase Daily Attendance
