**4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.**

We would like to look at the Application and Consent to Share forms and make it one form, then actually get it into the hands of all our students. Many families don't believe that they could qualify and have sports/ASB fees waived. We are also working with our ELL families to encourage their student participation in sports. We have an interpreter assisting as well.
