Sister School Program Update

Chautauqua Elementary students collected a huge pile of supplies to send to our Sister School in Uganda. Representatives from the Sister School organization came to CES and took photos of many students holding a supply.

When the supplies make it to Uganda, students there will hold up the exact same supply and send photos back to CES so students here will be able to see first hand how their donations made a real difference in the life of another child.

Chautauqua Shines

In each issue of Chautauqua Shines we'll share what's happening at Chautauqua and give you a glimpse of the social, artistic and academic culture of our school.

Much of what we highlight in Chautauqua Shines is found on our school website.

We hope you take some time to visit us at:

Veterans Day Assembly

CES students and staff gathered together with community members to celebrate Veterans Day during an all-school assembly on Thursday, November 9th. Patriotic songs were performed by 5th grade students accompanied by a combined McMurray Middle School and Vashon High School Band under the direction of Dan Baker.

Students and staff were also able to honor their military relatives during a slide show.

STEAM at Chautauqua

Science, Technology, Engineering, Art & Design, and Mathematics, also known as STEAM is a big part of the curriculum at Chautauqua. STEAM is incorporated in lessons throughout the school. Aristy Gill's multi-age classroom created honey combs made out of toilet paper tubes. They cut them up, glued them together and painted them. They plan to use their creations during this year's performance of "Goin' Buggy".

Pajama Day

The 5th Grade Leadership Team sponsored the first Spirit Day of the 2017-18 school year and it was a great success. Look for more Spirit Days in the future.
